Paying for College Worksheet – FINAL [Form 5] College Costs, Aid, and Plan for Paying

Please redo the Paying for College worksheet [Form 1] you completed when you submitted your application. By now, you and your family should have a good idea of how you plan to pay for college. If you are still considering several schools, complete this form for each school. Although you may not know about any local awards, you should have a general plan for funding what your family must pay. At the Student and Parent Interview, we will talk about your plan. If you plan to take Parent Plus or private loans, you should have started to determine “which loans,” whether you are qualified for them, and how you will repay. Please call our office (569-9869) if you have questions about your plan that you wish to discuss prior to your interview.
